SEPTEMBER ASSESSMENT MESSAGE

Congratulations!

Dear friends, welcome to the end of an amazing, impactful first quarter. It has been a very bustling season for everyone full of unlearning, learning, and relearning.

We have seen tremendous improvements in reporting, delivery of impactful projects from various clubs, donation of gifts to The Rotary Foundation, membership growth, and payment of District dues. Our humble request is to continue with this good speed, but let's not leave anyone behind. Let's support each other because, as a team, we can cover greater mileage in all our planned activities.

The second quarter calls for much greater energy with a lot of club and district activities starting with the Second Presidential Forum and the World Polio Day Celebration, not forgetting REI, which is just around the corner! Let's register, pay up, and head to the Albertine region.

The Rotaract Challenge is ongoing as well, with great opportunities to learn about public speaking.

Have you registered for the Rotary Zone 22 All Africa Institute and the 102nd DISCON? Don't be left behind!

Let's reset, realign, and reignite our energies to accomplish as much as possible in the second quarter.

Rtrs Anguzu Alpha Moses Bayo and Birungi Catherine

On behalf of the Rotaract D9213 Impactful PIME Team 2026/27.
